### Slow Me Down, Lord

*Slow me down Lord!*

*Ease the pounding of my heart*

*By the quieting of my mind.*

*Steady my hurried pace with a vision*

*Of the eternal reach of time.*

*Give me amidst the confusion of my day,*

*The calmness of the everlasting hills.*

*Break the tension of my nerves with the*

*Soothing music of the singing streams*

*That live in my memory. Help me to know*

*The magical restoring power of sleep.*

*Teach me the art of taking minute vacations, of*

*Slowing down to look at a flower,*

*To chat with an old friend or make a new one,*

*To pat a stray dog, to watch a spider build a web,*

*To smile at a child, or to read from a good book.*

*Remind me each day that there is more to life*

*Than increasing its speed.*
