

Wedding Planning and Music Fees

Offering to the Church:

An offering of \$300 is requested to defray the expenses related to use of our facilities and resources. \$100 is paid at the time of the church reservation, and the balance can be paid at the time that music fees are paid. If a deposit was not made at the time of your reservation, please pay the full amount with your music fees at least 30 days in advance of the wedding day.

Offering to your Priest or Deacon:

There is no cost for the services of the priest or deacon, however if you wish to make an offering you may do so directly. Please plan to discuss your selection of the scripture readings with the clergy and notify the marriage preparation office of your choices.
